## Baron

You may cancel a successful vote at the Court House. No Villager token is eliminated. You may use this card to save your own Villager token.

## Open Market

Replace up to three Market cards, discarding any Event cards drawn. Play after the Market is replenished.

## Hunted

Werewolf Attack cards can not be canceled in the next Night phase (Hunter, Barricade, etc. have no effect).

## Holy Day

If a player reveals Alms for the Poor in the Night phase, all players with at least one Villager token at the Church receive Alms for the Poor.

## Hidden Cellar

If you only have one Villager token left, you may cancel a Werewolf Attack card that is played on you (despite the Hunted event).

## Gambling

Each Villager token you have at the Tavern may choose to gamble twice.
